About Us

We, the Soncera group are very proud to announce the birth of our Peta company "Gracias ceramica". We have been diligently working as a tile and sanitary ware company, based in Morvi, Gujarat, India. Having an amazing international export channel in countries.

The utmost diligence in our work and a thirst for quality, lead today to the expansion of our visions and goals through this magnificent launch of "Gracias ceramica""Gracias" as the name suggests "with grace", thus acknowledging our efforts in the upbringing of the Soncera group.Gracias ceramica, the growing production hub for the handy tile sizes of 600 x 600 & 600 x 1200mm which is crafted in multiple finishes like high gloss, glossy, carving, rustic, and matt are here to aww the world with its unique designs.
